"Findlay NOW has allowed us to advertise with a classy, color ad! When we opened our business, a good friend told us that her favorite local advertising was Findlay NOW! We trusted her and were very impressed with the customer service we have received. Pairing up with Mix 96.7 allowed us to get a few radio spots. It was exciting to hear our store on the radio. What a great combination for launching our newest products: our Bracelet-of-the-Month Club & affordable prom dresses!"
